

REMARKS

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

Specifically, claims 1-5, 8 and 10 have been amended by this Amendment. No claims have been added and no claims have been canceled. And no new subject matter has been added to the application. Claims 1-12 remain pending in the application.

In the prior Office Action, the Examiner rejected claims 1-12 under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicants regard as the invention. By this Amendment, claims 1-5, 8 and 10 have been amended to address and overcome the rejections under 35 U.S.C. §112, second paragraph. Reconsideration of the claim rejections is respectfully requested.

Also in the prior Office Action, the Examiner indicated that claims 1-12 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. §112, second paragraph. In light of the amendments to claims 1-5, 8 and 10, claims 1-12 are now believed to be in allowable condition. For the ease of examination, a clean copy of the claims is appended hereto as Appendix A.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is

invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. SAT-16705.

Respectfully submitted,

RANKIN, HILL, PORTER & CLARK LLP
